All the parts of this tree are spiritually cognizant

Thus as they grow they spread all over the world

How many places can I go?

How many fruits can I pick and distribute?

Laborious task to pick the fruits and distribute them alone

Water has been sprinkled all over the tree, and there are innumerable fruits of love of Godhead

🍎 Let people eat these fruits and ultimately become free from old age and death

CAITANYA CARITAMRTA

Text 44-45

I am merely a gardener

I have neither a kingdom nor very great riches

I simply have some fruits and flowers that I wish to utilize to achieve piety in My life

🌳 Although I am acting as a gardener, I also want to be the tree, for thus I can bestow benefit upon all

Text 48 & 50
